COMMENCEMENT

(TAPE 1)(SIDE A)(455)**AGENDA ITEM NO. 1:** Call to order.

Chair Jerry Trumps called the Regular Council Meeting of July 15, 2003 to order.

(TAPE 1)(SIDE A)(458)**AGENDA ITEM NO. 2:** Invocation and Pledge of Allegiance.

Councilmember Marc Mouton was called upon to deliver the invocation and lead the Pledge of Allegiance.

(TAPE 1)(SIDE A)(474)**AGENDA ITEM NO. 3: EXECUTIVE/PRESIDENT'S REPORT**
None

Chair Trumps announced there would be a briefing on Thursday, July 17 at 5:30 pm regarding the billboard ordinance. The meeting will be held in the Ted A. Ardoin City-Parish Council Auditorium.

(TAPE 1)(SIDE A)(495)**AGENDA ITEM NO. 4: CEREMONIAL PRESENTATIONS**

- a. Recognize Lafayette High School's participation in the Russian Special Olympics in October

Chair Trumps introduced Phillipe Gustin of the International Trade Center, who was present to announce that students from Lafayette High School have been selected to participate in the Russian Special Olympics in October. He explained in 1991 a charter was signed by the Chair of the City Council along with nine (9) other mayors from around the world which created the International Sesame Trade Development Network. The City of Korolev, Russia, which is the site of the space program of Russia, will be the location of the science Olympiad. Mr. Gustin then introduced Ms. Janine Neck of Lafayette High School, who explained there will be approximately 30 students that will be participating in this event. The students will represent Lafayette as well as the United States. Dominique Dugas, who is one of the participants, explained what subject her group has chosen and why. She felt being a participant was a great opportunity and honor and is looking forward to experiencing another culture and meeting other students from around the world.

(TAPE 1)(SIDE A)(652)**AGENDA ITEM NO. 5: COUNCIL ANNOUNCEMENTS**

Councilman Williams expressed his sincere condolences to the family of Ms. Christiana Smith, who played an important role in the community as an educator.

RESOLUTIONS

(TAPE 1)(SIDE A)(696)AGENDA ITEM NO. 6: R-040-2003 A resolution of the Lafayette City-Parish Council, acting in its capacity as the Metropolitan Planning Organization (MPO) for the Lafayette urban area, authorizing the filing of an application with the Louisiana Department of Transportation and Development under the 2003 Transportation Enhancement Program for the Camellia Boulevard Greenbelt Project. A motion to approve by Stevenson, seconded by Castille, and the vote was as follows:

YEAS: Badeaux, Castille, Williams, Benjamin, Broussard, Trumps, Mouton, Stevenson, Menard

NAYS: None

ABSENT: None

RECUSED: None

Motion was approved.

(TAPE 1)(SIDE B)(001)

John Raines stated LCG was made aware that DOTD has provisions available for local government for additional funding which would be an advantage to the greenbelt project. Upon questioning by Williams, Raines stated no funding was needed for the application process but as time approached for the final design phase, the federal government would cover 95% of the construction cost. There is currently preliminary monies budgeted for the landscape of Camellia Blvd, which is being utilized at the present time. The amount budgeted is approximately \$80,000, which includes limited landscaping and improvements to the park.

(TAPE 1)(SIDE B)(053)AGENDA ITEM NO. 7: R-041-2003 A resolution of the Lafayette City-Parish Council, acting in its capacity as the Metropolitan Planning Organization (MPO) for the Lafayette Urban Area, authorizing and approving a Safe Communities grant application to the Louisiana Highway Safety Commission for the 2003-2004 program year. A motion to approve by Castille, seconded by Stevenson, and the vote was as follows:

YEAS: Badeaux, Castille, Williams, Benjamin, Broussard, Trumps, Mouton, Stevenson, Menard

NAYS: None

ABSENT: None

RECUSED: None

Motion was approved.

Upon questioning by Mouton, Tony Tramel explained the resolution was to apply for a grant and once approved, he would then return to the Council to appropriate the funds and identify specifics of what the intent will be for utilizing the funding.

(TAPE 1)(SIDE B)(070)AGENDA ITEM NO. 8: R-042-2003 A resolution of the Lafayette City-Parish Council, acting in its capacity as the Metropolitan Planning Organization (MPO) for the Lafayette Urban Area, approving and recommending to the Governor of the State of Louisiana a new Transportation Study Boundary for the Lafayette Metropolitan Planning Organization and amending representation on MPO committees. A motion to approve by Stevenson, seconded by Williams, and the vote was as follows:

YEAS: Badeaux, Castille, Williams, Benjamin, Broussard, Trumps, Mouton, Stevenson, Menard

NAYS: None

ABSENT: None

RECUSED: None

Motion was approved.

Tramel explained after completing the 10-year census, the federal law requires that the affected areas should be adjusted in accordance with the urbanized area, which has expanded. According to the census, there is approximately 6% of the population that is located outside the boundaries of the parish. The request is to approve the new boundary based upon the information received from the census and amend the representation of the Citizen Advisory Committee by including one additional municipal representative. Tramel stated his office did not contact the elected officials of the surrounding parishes. By request of Castille, Tramel will advise everyone of the action that has been taken.

Upon questioning by Benjamin, Tramel explained LCG will be accepting some financial liabilities because in transportation planning, it is unclear where the political boundaries begin and end. Monies received from the Federal Highway Administration are approximately 80% or more. If the Council chooses, it may be a requirement that all other entities involved will need to enter into an intergovernmental agreement. Benjamin expressed his concerns regarding decisions to be made when a project extends into another parish. Tramel responded the Council, acting as the MPO, would be the decision making body but funding would be the responsibility

of the individual governmental entities.

(TAPE 1)(SIDE B)(210)AGENDA ITEM NO. 9: R-043-2003 A resolution of the Lafayette City-Parish Council, approving and authorizing the Lafayette City-Parish President to apply for a Transportation Enhancement Grant “Pedestrian Gateway Phase III” in the 2003 program year and identified for Vine Street Improvements. A motion to approve by Menard, seconded by Castille, and the vote was as follows:

YEAS: Badeaux, Castille, Williams, Broussard, Trumps, Mouton, Stevenson, Menard

NAYS: None

ABSENT: Benjamin

RECUSED: None

Motion was approved.

Tramel explained DOTD allows communities to submit applications for these types of grants. LCG was successful in securing three (3) grants with regards to the multi-modal facility. If LCG is awarded this grant, it will provide for 95% of construction cost, however, LCG will be responsible for inspection and engineering costs. The estimated match for sub-part A would be approximately \$59,000. The project is basically a continuation of the Streetscape Project. It consists of lighting and paving the road in the area of Third and Vine Streets.

(TAPE 1)(SIDE B)(253)AGENDA ITEM NO. 10: R-044-2003 A resolution of the Lafayette City-Parish Council informing the State of Louisiana, Department of Environmental Quality that the Lafayette Utilities System has taken the appropriate action concerning permit requirements contained in LWDPS permits numbered LA0036382, LA0036374, LA0036391, and LA0042561. A motion to approve by Stevenson, seconded by Menard, and the vote was as follows:

YEAS: Badeaux, Castille, Williams, Broussard, Trumps, Mouton, Stevenson, Menard

NAYS: None

ABSENT: Benjamin

RECUSED: None

Motion was approved.

(TAPE 1)(SIDE B)(271)AGENDA ITEM NO. 11: R-045-2003 A resolution making application to the State Bond Commission for consent and authority to issue, sell and deliver not exceeding \$29,750,000 of Public Improvement Sales Tax Refunding Bonds, of the City of Lafayette, State of Louisiana, all in the manner provided for by Chapter 14-A of Title 39 of the Louisiana Revised Statutes of 1950, as amended, and other constitutional and statutory authority supplemental thereto and providing for other matters in connection therewith. A motion to approve by Mouton, seconded by Menard, and the vote was as follows:

YEAS: Badeaux, Castille, Williams, Benjamin, Broussard, Trumps, Mouton, Stevenson, Menard

NAYS: None

ABSENT: None

RECUSED: None

Motion was approved.

Jerry Osborne of Foley & Judell explained these bonds are not callable until March 1, 2004. With the fluctuation of the market, he is concerned with being able to accomplish financing that will produce a savings. Unless an application is submitted to the State Bond Commission, LCG would not be in a position to take advantage in case the market does allow for a savings. Lee Bressler of Morgan Keegan explained the average interest rate is 5% for callable bonds. This issue is similar to the two sales tax refunding bonds sold within the last two years and can only be delivered between February and May of 2004. These bonds will go before the State Bond Commission in August. Once approved by the State Bond Commission, Mr. Osborne and Mr. Bressler will begin the process to sell the bonds to lock in the savings.

(TAPE 1)(SIDE B)(422)AGENDA ITEM NO. 12: R-046-2003 A resolution making application to the State Bond Commission for consent and authority to issue, sell and deliver not exceeding \$7,100,000 of Public Improvement Sales Tax Bonds, Series 2003C and \$16,000,000 of Public Improvement Sales Tax Bonds, Series 2003D of the City of Lafayette, State of Louisiana and providing for other matters in connection therewith. A motion to approve by Stevenson, seconded by Mouton, and the vote was as follows:

YEAS: Badeaux, Castille, Williams, Benjamin, Broussard, Trumps, Mouton, Stevenson, Menard

NAYS: None

ABSENT: None

RECUSED: None

Motion was approved.

Ms. Lalumia explained this application is to initiate the process to receive the funds.

ORDINANCES FOR FINAL ADOPTION

(TAPE 1)(SIDE B)(444)AGENDA ITEM NO. 13: O-161-2003 An ordinance of the Lafayette City-Parish Council providing for the abandonment of utility niches on Lot C-11 in Phase I of the Village of River Ranch, Lots C-79 and C-80 in Phase II of the Village of River Ranch, Lot C-89 in Phase I of the Village of River Ranch, and Lot C-109 in Phase II of the Village of River Ranch, having municipal addresses of 415 Richland Avenue, 305 Worth Avenue, 303 Worth Avenue, 108 Ellendale Boulevard, and 104 Bradbury Crossing, respectively. A motion to approve by Benjamin, seconded by Menard, and the vote was as follows:

YEAS: Badeaux, Castille, Williams, Benjamin, Broussard, Trumps, Mouton, Stevenson, Menard

NAYS: None

ABSENT: None

RECUSED: None

Motion was approved.

(TAPE 1)(SIDE B)(463)AGENDA ITEM NO. 14: O-162-2003 An ordinance of the Lafayette City-Parish Council amending the FY 02/03 Operating Budget of the Lafayette City-Parish Consolidated Government by authorizing the increase of revenues in the amount of \$25,000 from the State of Louisiana Office of Rural Development for the Governor's Office of Rural Development's Grant and appropriating within the Fire Department. A motion to approve by Broussard, seconded by Castille, and the vote was as follows:

YEAS: Badeaux, Castille, Williams, Benjamin, Broussard, Trumps, Mouton, Stevenson, Menard

NAYS: None

ABSENT: None

RECUSED: None

Motion was approved.

(TAPE 1)(SIDE B)(480)AGENDA ITEM NO. 15: O-163-2003 An ordinance of the Lafayette City-Parish Council amending the FY 02/03 Operating Budget of the Lafayette City-Parish Consolidated Government by transferring \$164,000 from Council Reserve and \$249,000 in Surplus Funds from Debaillon Coulee, Ivanhoe Coulee, Harwell/Shiple/Grand drainage and Edna Drive Coulee projects to Canada/S. Domingue/Congress Drainage Project within the Department of Public Works for additional funding needed. A motion to approve as amended by Broussard, seconded by Castille, and the vote was as follows:

YEAS: Badeaux, Castille, Williams, Benjamin, Broussard, Trumps, Mouton, Stevenson, Menard

NAYS: None

ABSENT: None

RECUSED: None

Motion was approved as amended.

An amendment was offered by the Administration which was accepted by maker and second to add the following language in the title and the body of the ordinance: **and \$249,000 in Surplus Funds from Debaillon Coulee, Ivanhoe Coulee, Harwell/Shiple/Grand drainage and Edna Drive Coulee projects.**

Pat Logan explained it was initially anticipated there would be a \$164,000 shortfall. Bids received for the project were substantially higher than predicted, therefore additional funding would be needed to complete the project. The additional funding being utilized is from projects that have monies remaining from bid under runs. The project is the outfall for the South Domingue Extension in which the property owners have donated the rights-of-way. In order for the project to proceed, the outfall must be completed.

Stevenson expressed his concerns regarding using funds from the Harwell/Shiple/Grand drainage project. There have been unforeseen problems during the course of the project and he felt it to be risky to remove any funds from that line item. Logan responded he felt confident there would be no additional problems that would occur and was comfortable with the proposed action. John Raines concurred with Stevenson's concerns, but reiterated Logan's comments. His department would not imperil any other projects.

(TAPE 1)(SIDE B)(723)AGENDA ITEM NO. 16: O-164-2003 An ordinance of the Lafayette City-Parish Council authorizing the Lafayette City-Parish President to execute an Intergovernmental Agreement whereby the Lafayette City-Parish Consolidated Government, the Town of Duson, the City of Scott, the City of Carencro, the Town of Youngsville, the University of Louisiana at Lafayette and the Lafayette Airport Commission shall jointly file a permit application with the Louisiana Department of Environmental Quality in order to comply with

Phase II Stormwater Regulations. A motion to approve by Castille, seconded by Badeaux, and the vote was as follows:

YEAS: Badeaux, Castille, Williams, Benjamin, Broussard, Trumps, Mouton, Stevenson, Menard

NAYS: None

ABSENT: None

RECUSED: None

Motion was approved.

Boyd Boswell, Environmental Quality Manager, explained the phase II regulations are to regulate municipal separate storm sewer systems.

(TAPE 2)(SIDE A)(001)

Upon questioning by Mouton, Boswell stated the Town of Broussard chose not to co-permit but to permit individually. Because of deadlines, the application has already been submitted and LCG has received the necessary permit. If one of the entities chose not to co-permit, it will not result in LCG's non-compliance. There is a permit fee if the population exceeds 50,000. Since Lafayette exceeds that level, LCG will have to pay the permit fee whether or not an entity chose not to co-permit. The advantage is to have all entities work together to promote a better program and make it more efficient.

(TAPE 2)(SIDE A)(049)AGENDA ITEM NO. 17: O-165-2003 An ordinance of the Lafayette City-Parish Council amending the FY 02/03 Multi-Year Capital Improvements Budget of the Lafayette City-Parish Consolidated Government to advance up to \$300,000 for engineering, architectural, construction and other costs on the Regional Detention Basins Bond Project scheduled for FY 02/03 and declaring the official intent of the Lafayette City-Parish Consolidated Government to expend general funds or sales tax revenues for purposes for which the bonds of the City are anticipated to be issued and to later reimburse such expenditures from sale proceeds. A motion to approve by Mouton, seconded by Stevenson, and the vote was as follows:

YEAS: Badeaux, Castille, Williams, Benjamin, Broussard, Trumps, Mouton, Stevenson, Menard

NAYS: None

ABSENT: None

RECUSED: None

Motion was approved.

Upon questioning by Mouton, Logan explained the funds are for the actual construction of the detention basin located behind Quail Hollow.

(TAPE 2)(SIDE A)(082)AGENDA ITEM NO. 18: O-166-2003 An ordinance of the Lafayette City-Parish Council declaring the South Domingue Road Extension Phase I Project a public necessity and authorizing the acquisition of the necessary rights of way and other property rights requisite to the construction of said project either on an amicable basis or through the use of the expropriation process if necessary. A motion to approve by Castille, seconded by Williams, and the vote was as follows:

YEAS: Badeaux, Castille, Williams, Benjamin, Broussard, Trumps, Stevenson, Menard

NAYS: None

ABSENT: Mouton

RECUSED: None

Motion was approved.

Upon questioning by Williams, Raines explained the project consists of the section south of South Domingue going toward Ridge Road.

(TAPE 2)(SIDE A)(105)AGENDA ITEM NO. 19: O-167-2003 An ordinance of the Lafayette City-Parish Council authorizing and directing the Lafayette City-Parish President to execute a Joint Cooperative Endeavor Agreement with East Bayou Baptist Church for turn lane improvements and upgrade in connection with the construction of Kaliste Saloom Frontage Road and Collector Streets - Phase I (Settler's Trace Boulevard), and amending the FY 02/03 Operating Budget of the Lafayette City-Parish Consolidated Government to reflect additional revenues and expenditures associated therewith. A motion to approve by Castille, seconded by Stevenson, and the vote was as follows:

YEAS: Badeaux, Castille, Williams, Benjamin, Broussard, Trumps, Stevenson, Menard

NAYS: None

ABSENT: Mouton

RECUSED: None

Motion was approved

Raines explained East Bayou Parkway Baptist Church acquired additional land after the commencement of the construction of Settler's Trace. The church approached LCG to coordinate access, which would require a left hand turn and agreed to pay for the improvement. Public Works agreed to include the improvement as part of the original project with a signed agreement. Upon questioning by Trumps, Dupuis confirmed one could enter into a joint cooperative agreement with a private entity; therefore this agreement would be permissible.

(TAPE 2)(SIDE A)(153)AGENDA ITEM NO. 20: O-168-2003 An ordinance of the Lafayette City-Parish Council amending the FY 02/03 Operating Budget of the Lafayette City-Parish Consolidated Government, by authorizing the increase in the Planning Fund FHWA (PL) 03/04 within the Department of Traffic and Transportation in the amount of \$222,991 for additional funding needed and to authorize the Lafayette City-Parish President to execute the contract for Metropolitan Planning, Lafayette Metropolitan Study Area. A motion to approve by Stevenson, seconded by Castille, and the vote was as follows:

YEAS: Badeaux, Castille, Williams, Benjamin, Broussard, Trumps, Stevenson, Menard

NAYS: None

ABSENT: Mouton

RECUSED: None

Motion was approved.

(TAPE 2)(SIDE A)(166)AGENDA ITEM NO. 21: O-169-2003 An ordinance of the Lafayette City-Parish Council amending the FY 02/03 Operating Budget of the Lafayette City-Parish Consolidated Government authorizing the increase in the Planning Fund FTA (5303) 03/04 within the Department of Traffic and Transportation in the amount of \$33,516.25 and to authorize the Lafayette City-Parish President to execute the contract for Metropolitan Planning, Lafayette Metropolitan Study Area. A motion to approve by Castille, seconded by Menard, and the vote was as follows:

YEAS: Badeaux, Castille, Williams, Benjamin, Broussard, Trumps, Stevenson, Menard

NAYS: None

ABSENT: Mouton

RECUSED: None

Motion was approved

(TAPE 2)(SIDE A)(179)AGENDA ITEM NO. 22: O-170-2003 An ordinance of the Lafayette City-Parish Council amending the FY 02/03 Operating Budget of the Lafayette City-Parish Consolidated Government by authorizing the receipt of Workforce Investment Act (WIA) revenues in the amounts of \$409,374 in the Adult Allocation, \$443,524 in the Youth Allocation, and \$404,060 in the Dislocated Worker Allocation from the Louisiana Department of Labor and by allocating salaries and benefits in the amount of \$38,460 within the WIA 10% Funds Grant and appropriating same within the Department of Community Development, Workforce Development Division and the Department of Administrative Services, Workforce Investment Board Division Title I-B Budgets. A motion to approve as amended by Benjamin, seconded by Williams, and the vote was as follows:

YEAS: Badeaux, Castille, Williams, Benjamin, Broussard, Trumps, Mouton, Stevenson, Menard

NAYS: None

ABSENT: None

RECUSED: None

Motion was approved as amended.

Glenn Dugas, WIA Manager explained by error of the Department of Labor, the ordinance requires an amendment. The monies that are being adjusted are part of the youth allocations program.

An amendment was offered by the Administration to revise the total amount of funds for the Youth Allocation from **\$445,402 to \$443,524**. This change was necessary due to an error by the State.

(TAPE 2)(SIDE A)(239)AGENDA ITEM NO. 23: O-171-2003 An ordinance of the Lafayette City-Parish Council amending the FY 02/03 Operating Budget of the Lafayette City-Parish Consolidated Government by increasing amounts appropriated for salaries and benefits in the amount of \$15,255 to the Vehicle Maintenance Fund and \$161,091 to the Utilities Fund. A motion to approve as amended by Menard, seconded by Benjamin, and the vote was as follows:

YEAS: Badeaux, Castille, Williams, Benjamin, Broussard, Trumps, Mouton, Stevenson, Menard

NAYS: None

ABSENT: None

RECUSED: None

Motion was approved as amended.

Huval expressed his concerns with the inability to hire qualified employees because of the pay scale. His department hires on a entry level basis but once these individuals receive training and certification, they acquire employment at other companies for more pay. The plan and positions have been approved by the Civil Service Board with the exception of the Power Plant Operations Supervisor. By the adoption of the ordinance, LUS will be placed in a position to fill vacancies and release contractors. He felt confident if all positions were filled, his department could have handled the aftermath of Hurricane Lili with quicker response time. He continued by saying his power plant operations are running at low employment capacity and has to hire contractors to fill the void. By doing this, he felt it places the city at great risk of being able to operate the plant in the most efficient way for the customers.

CAO Weber recommended and which was accepted by maker and second, **to delete one position (Power Plant Operations Supervisor)** which would change the total of utilities fund being used from **\$163,500 to \$161,091.**

Upon questioning by Menard, Weber explained the market aligned pay plan is intended to be an exceptional program to deal with special circumstances. Mike Sands, Human Resources Manager, explained the list consists of positions that have been difficult to attract three or more qualified persons upon advertising at above minimum salaries. Stevenson felt it should be a priority of the Council and Administration to expand to other areas of LCG. Williams concurred. Ken Mouton, Civil Service Director, reiterated Sands’ comments and added that it has been a challenge to fill vacancies with the pay scale that is in place.

Upon questioning by Benjamin, Mouton explained the 5% pay differential scale continues to be in place but personnel decisions and changes are based on the Council’s approval to appropriate funds. Councilman Mouton commended Huval on his commitment to his employees and hopes to see improvements in the future with regard to hiring employees in all divisions of government.

(TAPE 2)(SIDE A)(580)AGENDA ITEM NO. 24: CONSIDER APPOINTMENTS BY THE COUNCIL, AS A WHOLE, TO FOLLOWING BOARDS/COMMISSIONS
